*A Gypsy Swing party to benefit The Linda, WAMC's Performing Arts Studio*

Tomorrow, February 2, we'll be at [The Linda, WAMC's Performing Arts Studio](#) in Albany as one of the openers for internationally known gypsy jazz guitarist, Stephane Wrembel. Help us support public radio. Here is WAMC's description of the event.

Stephane Wrembel is quite simply one of the finest guitar players in the world. The breadth and range of his playing and compositions are unmatched. The New York Observer said, “Stephane Wrembel represents the living face of Gypsy jazz.” Rolling Stone Magazine has called him, “a revelation.” The New York Times says, “Perhaps the most creative improviser in Gypsy jazz today, Mr. Wrembel plays the guitar with a rich and colorful lyricism.”

Wrembel— who learned his craft among the Gypsies at campsites in the French countryside— is a prolific, virtuoso guitarist from France has been releasing a steady stream of music since 2006 and has truly made his mark as one of the most original guitar voices in contemporary music.

On a mass-culture level, Wrembel is widely known for his composition and performance of ***Bistro Fada***, the theme song from Woody Allen’s Oscar winning film and the Grammy Award winning soundtrack, ***Midnight in Paris***.

The Winter Warm-UP! is designed to showcase unique and intriguing music and provide some relief to the mid-winter blahs. In addition to Wrembel, 3 other great bands, The Hot Club of Saratoga, Zack Cohen’s Beat/Swing Project (including Hot Club’s clarinetist Jonathan Greene) , and Hot Tuesday, will dazzle & entertain and give you reason to get up and dance! A free Swing dance lesson will be provided by Jason Fenton prior to the show.

And of course, we will be at our regular haunts in February:

- Mouzon House every Thursday
- Hamlet and Ghost on Wednesdays, the 13<sup>th</sup> and 27<sup>th</sup>
- Brown’s Walloomsac Taproom, Friday the 22<sup>nd</sup>

Check our calendar [here](#) for any additions for February or other upcoming events.

*Remember, if you like live music, support those establishments that keep the music scene alive and well in and around Saratoga!  
It can only remain vital if we all support their efforts.*

Keep a smile on your face and a swing in your step!
