

Gypsy Swing in the Spirit of Django Reinhardt

Some Suggestions for Wedding Dances (or Ceremony)

Below are selections from our repertoire that you may find suitable for special dances during your celebration. Traditionally this might include but is certainly not limited to: couple's first dance, mother/son dance, father/daughter dance, etc. Whenever possible, samples are versions from the gypsy swing genre, often Django Reinhardt himself. So, many of the recordings are old. Tempos can be varied to suit your wishes on most tunes. Some versions are included solely to include lyrics on tunes that, in some cases we can do vocals on if you wish. All can be played instrumentally, and many of them are instrumentals as written.

If you have a particular request for a song, or like a different tune from our repertoire for this, please feel free to let us know.
